Dear Cotner:

Thank you very much for your letter of 6 May together with the enclosures. It is always a pleasure to hear from old friends and working companions, and I hope the Central Intelligence Agency will succeed in successfully carrying out your estimates.

The list of speakers appended to your letter is most interesting, and, if you could have the speeches sent to me when they are printed, I shall be very glad to see that they get to the proper ships and the proper organizations.

Again with best wishes, please believe me,

Sincerely,

Signed
